

Name: Isabel Pérez Torres

Country of birth: Spain

Website: <http://isabelperez.com/>
(since 1996)

Current Occupation:

Teacher trainer,
Material development consultant,
Educational IT consultant.

Contact details: isabelperez2010(at)gmail.com

Academic degree: Doctor

- | | |
|------------------------------------|--|
| • Dates (from – to) | 2000 –2004 |
| • Institution | University of Granada (Spain) |
| • Principal subjects covered | PHD Thesis in ICT and Languages: “Design of Webquests for teaching and Learning of English as a Foreign Language: applications in vocabulary acquisition and reading” |
| • Title of qualification awarded | PhD in English Philology |
| • Level in national classification | “Sobresaliente” Cum Laude |
| • Dates (from – to) | 1982 - 1988 |
| • Institution | University of Granada (Spain) |
| • Principal subjects covered | University career in English Philology |
| • Title of qualification awarded | Degree in English Philology |

Languages:

Spanish: mother tongue
English: C2
German: B2, preparing C1

Work Experience, including previous positions and titles

At University

- | | |
|-------------------------------|--|
| • Dates | 2015-2016, 2016-2017, 2020-2021 |
| • Institution | University of Vienna (UniWien) |
| • Title | “Specific Issues in EFL Teaching / Materials Evaluation and Development” |
| • Occupation or position held | Lecturer in Degree and Master Courses |

- Dates **2010-2011, 2011-2012, 2012-2013, 2013-2014, 2014-2015, 2015-2016, 2016-2017**
 - Institution Distance Spanish University (UNED)
 - Title “Creating and Digitizing CLIL Materials”
 - Occupation or position held Lecturer in a Master Course
-
- Dates **2010-2011, 2011-2012, 2012-2013, 2013-2014**
 - Institution University of Jaén
 - Title “Use of New Technologies in Learning and Teaching English”
 - Occupation or position held Lecturer in a Master Course
-
- Dates (from – to) **February, 2005 – August, 2007**
 - Institution University of Granada / Virtual Learning Center of the University of Granada (CEVUG)

Material Development

I am a specialist in the field of designing language teaching materials in digital format. I have developed web language materials and designed, created and maintained several web sites individually and in collaboration with different projects since 1996.

Awards

European Label for Innovation in Languages to the project " "Designing of 452 micro activities in foreign languages (French, English and German) based on the European Portfolio of Languages" by the European agency and the Spanish Ministry of Education, 2012.

European Label for innovative projects in language teaching and learning 2005 in the individual modality (B) for the work developed throughout the working experience, by the European agency and the Spanish Ministry of Education.

Award to the development of curricula materials in HTML and JavaScript format, by the General Department for Teacher training and assessment, 2004.

European Label for Innovation in Languages to the project "Assessing and developing lexical competence through internet" by the European agency and the Spanish Ministry of Education, 2003.

ANNEX I

COURSES AND TALKS in international seminars and conferences, and at universities (Title, place and date).

- Workshops in the Module: "Subject specific CLIL Methodology and Blended Learning: Subject specific CLIL didactics and methods", Pädagogische Hochschule Wien, Vienna, 2017 - 2022
- Talk: ""Role of Educational Networks International Student Mobility a Swedish Experience"10. International Meetings 2016- Pädagogische Hochschule Kärnten, Klagenfurt, October 2016.
- Workshop in the course: "Bilingualism and plurilingualism in the school context: CLIL programmes and resources", UIMP (Menendez Pelayo International University) Santander, July 2016.
- Workshop in the course: "Bilingualism and plurilingualism in the school context: CLIL programmes and resources", UIMP (Menendez Pelayo International University) Santander, July 2015.
- Workshop in the course: "Bilingualism and plurilingualism in the school context: CLIL programmes and resources", UIMP (Menendez Pelayo International University) Santander, June 2014.
- Talk: "Designing Clil Materials (Using Open Educational Resources And Ict Tools)", in a Master Course at the University of Castellon, May 2014.
- Workshop: "Designing CLIL materials using open educational resources and ICT tools", In the Second International Workshop on Technological Innovation for Specialized Linguistic Domains: Lifelong Learning on the Move. Ávila, May 2014.
- Talk: "CLIL challenges in the everyday classroom planning", in CLIL Conference 2013 University of Silesia (Poland), April 2013.
- Comenius Course: Activating new technologies for CLIL practice (FI-2013-113-001), in Granada, April 2013.
- Talk: "About WebQuests", in the ULB (Université libre de Bruxelles), January 2013.
- Comenius Course: Activating new technologies for CLIL-practice (FI-2012-105-001), in Granada , May 2012.

- Talk: “Teaching and dealing with languages with technological support: different phases in the research process” in the UNED (Spanish Distance University), Madrid, December 2012.
- Talks: “Constructivist uses of technology for CLIL” y “How CLIL Methodology can help overcome the limitations of a bilingual programme” in the conference “CLIL 2012: from Practice to Vision”, European Platform in Utrecht (Netherlands), April 2012.
- Talk: “CLIL resources and design of material for Higher Education”, UCO Cordoba University, January 2012.
- Workshop: “The use of ICT in bilingual education, learning through technology” II International Conference on Bilingual Education, Rey Juan Carlos University, Madrid, October 2011.
- Talk: “CLIL practical workshop” University of la Rioja, March 2011.
- Workshop: “Intercurricular strategies in the CLIL classroom: Webtasks, webquests and other projects on the Web” in the XI International SEDLL Conference, University of Jaen, December 2010.
- Talk: “Talking Education 2.0/3.0: from Consumers to Intersumers, CLIL conference in Eichstätt, September 2010.
- Talk: “Ideas and resources for primary and secondary teachers in bilingual programmes”, University of Zaragoza, February 2010.
- Talk: “CLIL methodology”, MEC (Ministerio de Educación y Ciencia), Barcelona, November 2009.
- Talk: “Multilingual learning: teaching subjects in other languages”, MEC, Almagro, July 2009.
- Talk: “The integration of ICT in the Plurilingualism Promotion Plan in Andalusia Symposium on CLIL”, University of Vitoria-Gasteiz, May 2009.
- Talk: “The integration of ICT in the Plurilingualism Promotion Plan in Andalusia” in “CLIL 2008: CLIL Fusion”, University of Jyväskylä, Tallin, October 2008.
- Talk: “Developing Key Competences: Language Learning and ICT in the Implementation of the Plurilingualism Promotion Plan in Andalusia” AILAA, University of Essen, August 2008.

- Talk: “Experiencias on learning language and content on the Web” in University Pablo de Olavide, Carmona (Sevilla), September 2007.
- Talk: “WebQuest: a collaborative strategy to teach content and language on the Web” in EUROCALL 2007, University of Ulster - Coleraine in Ireland, September 2007.
- Talk: “Task based language learning with the help of Internet: WebQuests, LQUESTs, WebTasks”, UNED (Spanish Distance University) in Ávila, July 2007.
- Talk: “Peer Review Service for European Traditional Universities to Successfully Evaluate E-Learning” in the conference EDEN New Learning 2.0, Napoli, June 2007.
- Talk: “The challenge of online learning” in Expocampus Conference, UNED Madrid, May 2007.
- Talk: “The MASSIVE Approach to High Quality in Higher Education” in ilearning forum 2007, Paris, January 2007.
- Talk: “ICT as a tool for teaching diversity in language and content learning”, University of Jaén, November 2006.
- Talk: “The LQUEST Project” MEC and the University of Alcala, December 2006.
- Talk: “The MASSIVE peer review model to enhance elearning implementation in higher education” in the conference Online Educa Berlin, December 2006.
- Talk: “New perspectives on using technology in foreign language teaching”, University Jaume I (Castellón), September 2007.
- Talk: “The Web Learning Tube- a project aimed at integrating the Web in Secondary Education to teach English Language and Culture”, EUROCALL 2006, University of Granada, September, 2006.
- Talk: “New perspectives on using technology in foreign language teaching”, UNED in Ávila, July 2006.
- Talk: “The MASSIVE peer review model to enhance elearning implementation in higher education” in the conference Online Educa Madrid, May 2006.
- Talk: “Designing and implementing email exchanges to improve English Language of secondary school learners” University of León, May 2006.
- Workshop: “LQuest: WebQuests for Languages” in the European Centre for Modern Languages, Conseil of Europe, Graz (Austria), April 2005.

- Talk: "Reading in a CALL context and on the Web", University of Jaén, December 2005.
- Talk: "A Quality Approach to e-Learning in Higher Education" in the conference Innovation for Quality in eLearning: an EFQUEL Forum, Berlín, November 2005.
- Talk: "A model of WebQuest for teaching and learning an L2" in EUROCALL 2005, University of Cracovia (Poland), August 2005.
- Talk: "Teaching and learning vocabulary and reading through the WebQuest model", XXII CONGRESO AESLA University of les Illes Balears (UIB), March 2005.
- Talk: "Evaluating the Quality of eLearning in a Classical University: The practical case of the University of Granada", eLearning Coimbra Group, Edimburgo (UK), March 2005.
- Talk: "The implementation of a virtual subject for the evaluation and development of vocabulary in the platform WEBCT", University of Valencia, December 2004.
- Talk: "Developing linguistic activities on the Web: from a web site to an educational platform", XXVII Internacional conference AEDEAN, December 2003.
- Talk: "Selecting online resources with a constructivist English teaching approach", Universitat Jaume I in Castellon, September 2003.
- Talk: "Online learning strategies to develop lexical competence and reading skills: webquests and online reference resources" in EUROCALL 2003, University of Limerick, September 2003.
- Talk: "Instructional design for web-based activities development", International Conference of Information and Communication Technologies in Education (ICTE) University of Extremadura, November 2002.
- Presentación-Poster: "ADELEX: The design of and online course for assessing and developing lexical competence through the Internet", International Conference of Information and Communication Technologies in Education (ICTE) University of Extremadura, November 2002.
- Workshop: "Using electronic dictionaries and lexical database in teaching and learning English" , University of Jaén, November 2002.

ⁱ Other courses and activities at the University of Granada:

2005-2006, Course in the first semester. "English for Psychologists".

18-20 July, 2006: Course "Technology and second language teaching: approaches, strategies and tools in the information and communication area" organized by the University of Granada in Mostar (Bosnia- Herzegovina).

From 2001 till 2005 I Designed and digitized the contents of the subject ADELEX (Assessing and Developing Lexical Competence on the Internet) in the platform WebCT.

From 1998 till 2005 I gave 14 courses (40 or 30 hours each) at the University of Granada with the following titles, some of them were offered several times:

"Teaching and learning English on the Web: "treasure hunts" and "webquests".

"Teaching and Learning English Through Web-based Activities

"Designing and Creating Activities for Teaching English with Computers"

"Using Internet for Teaching and Learning English"

"CALL"

"On Line Resources For Schools"

"Computers And English Teaching: Internet, Word Processors And Authoring Programs"
